

Gorillo HUSH Hand Dryer

- Quiet operation – just 70dB at 1 metre, one of the quietest blade hand dryers in its class.
- Fast dry time – 7-9 seconds with powerful 100 m/s airflow.
- Energy-efficient – adjustable air speed and heat settings to reduce running costs and environmental impact.
- Integrated water collection – concealed tank captures residual moisture, preventing puddles and splashes.
- Versatile design – suitable for commercial and public washrooms; durable and user-friendly.
- Two colour options – sleek white or modern silver finish.
